

## Computer Use Student Agreement

It is expected that all students will behave responsibly and considerately in their use of the computer.

### **General Internet Use**

1. You must not use the Internet unless you are under supervision of a teacher.
2. Use the Internet only for curriculum purposes as directed by the teacher.
3. The use of chat rooms, newsgroups and instant messaging is not appropriate at school.
4. You must not access material that is offensive, dangerous, inappropriate or illegal.
5. Do not disclose personal information about yourself or anyone else to people on the Internet.

For students who use the computer system in unacceptable ways, parents will be informed and the situation will be dealt with appropriately according to school procedures. The user is personally responsible for his/her actions.

We believe it is important to celebrate children's achievement, but are aware of the potential risks when personal information or material is published on a global information system such as the internet.

### **Agreement**

1. I understand that there will be consequences for breaking this agreement.
2. I understand that, while the school will do its best to restrict student access to offensive, dangerous or, inappropriate material on the Internet, it is the responsibility of individual students to have no involvement with such material.

### **By signing below:**

1. The student agrees to follow the statements in this Computer Use Agreement.
2. The parent or caregiver gives permission for this student to use the Internet while at school.
3. The parent gives permission for the publishing of student's first name, work or photographs on our website or internet online communities.
