Miniball 2018

Dear Parents/Caregivers,

The Mid Canterbury Miniball season is due to commence at the end of August and is open to students in Years 3, 4, 5 and 6.

Monday – Year 3 (Starting 20 August)

Wednesday – Year 5 (Starting 22 August)

Tuesday – Year 4 (Starting 21 August)

Friday – Year 6 (Starting 24 August)

Regular weekly games will be played at Oxford Street Stadium and the Sports Hall with the odd week also being played at the EA Networks Stadium. All grades will be a minimum 10 week duration.

Please consider your other commitments before signing up to play miniball. This is a weekly commitment to a team.

We require coaches and managers at each year level and also referees for Year 5 and 6 grades. Year 3 and 4 grades do not require a referee as the coaches will referee their own games – coaching the children during the game. Each team will also require one person to do bench duty for their own games.

The miniball sub per player is \$50 and will need to be paid with this return slip.

**Please fill in the form below and return to the office with your \$50 sub by Friday 27 July
Cash only please (due to ease of refunds if teams are unable to be entered).**
