## Middle Area Stationery 2023

### Room 5,6,7,8,9

### Years 3 and 4

The following are the stationery items your child will need to bring on **day one**, 2023. Please note the book number and purchase accordingly.

Exercise books will last longer and look better if they are covered. It is useful to have a different colour or label or picture on each book to give children a visual aid, helping them quickly tell the difference between their books.

**Please name all items clearly! This includes all pencils, sharpeners etc.** The children will write subject names on their books with their teacher at the beginning of the year.
