My Dad Loves His Rugby

My Dad gets excited, when he knows it's Saturday.
He loves to watch my rugby, now that he's too old to play.
He wears his favourite gummies, and his rugby watching hat.
It keeps his shiny head warm, and it looks like our old cat.

You'd think we were the All Blacks, the way he struts about,
Up and down the sideline, with his shirt tails hanging out.
Mum gets so embarrassed, and hides her head in shame,
Pretends she doesn't know him, when people ask his name.

Rugby- he loves his rugby.
The thought of it just makes him want to shout
Rugby – he loves his rugby
If there's a game
Ol' Dad will be about.

He even does the Haka, that silly old dad of mine,
Words and actions perfect, each and every line.
He says it helps to warm him up, and soothes his aching head.
I wish he'd just be normal, and take aspirin instead.

Half time is the worst time - the coach can't even speak
along comes Dad with his notepad, about to reach his peak.
He thinks his name is SteveHansen, that coach extraordinaire.
He walks the walk and talks the talk, but Steve has got more hair.

Rugby- he loves his rugby.
The thought of it just makes him want to
shout
Rugby – he loves his rugby
If there's a game
Ol' Dad will be about.

For all his silly antics, he's not a bad old stick.
He never says a nasty word, just rants and raves a bit.
And when the final whistle blows, no matter what the score,
He loves to shout us all a treat, down at the corner store.

Rugby- he loves his rugby.
The thought of it just makes him want to shout
Rugby – he loves his rugby
If there's a game
Ol' Dad will be about.

Human

Written by Rory Charles Graham, Jamie Hartman

I'm only human
I'm only, I'm only, I'm only human, human

Maybe I'm foolish, maybe I'm blind
Thinking I can see through this and see what's behind
Got no way to prove it, so maybe I'm blind

But I'm only human after all, I'm only human after all
Don't put your blame on me, don't put your blame on me

Take a look in the mirror and what do you see
Do you see it clearer or are you deceived?
In what you believe

Cause I'm only human after all, you're only human after all
Don't put your blame on me, don't put your blame on me

Some people got the real problems, some people out of luck
Some people think I can solve them
Lord heavens above

I'm only human after all, I'm only human after all
Don't put your blame on me, don't put your blame on me

Don't ask my opinion, don't ask me to lie
Then beg for forgiveness for making you cry
Making you cry

Cause I'm only human after all, I'm only human after all
Don't put your blame on me, don't put your blame on me

Oh, some people got the real problems, some people out of luck
Some people think I can solve them, Lord heavens above

I'm only human after all, I'm only human after all
Don't put the blame on me, Don't put the blame on me

I'm only human, I make mistakes
I'm only human, that's all it takes
To put the blame on me, don't put the blame on me

Cause I'm no prophet or Messiah
Should go looking somewhere higher
I'm only human after all, I'm only human after all
Don't put the blame on me, don't put the blame on me

I'm only human, I do what I can
I'm just a man, I do what I can
Don't put the blame on me
Don't put your blame on me

Up along the Coast

Bursting with fury, the breakers crash over the sea wall,
And the salt spray flies.
Turning and churning, the wild water boils in a frenzy.

Chorus:

These are the days I love most
When the elements rule.
These are the days I love most
Up along the coast.

The island is hidden in blackness along the horizon,
And the rain drives down.
The wind whips the waves and the white horses
rear in the distance.

Chorus:

These are the days I love most
When the elements rule.
These are the days I love most
Up along the coast.

On a fine summer's day, everything's different.
The sea plays with children and smiles.
On a fine summer's day, everything's different
And you'd never guess at the power she hides.

Up along the Coast (cont.)

Thundering in with a roar that would make
your heart tremble
In a towering rage
Battering all in the way till its power is exhausted.

Chorus:

These are the days I love most
When the elements rule.
These are the days I love most
Up along the coast
Up along the coast
Up along the coast.

Try Everything

Oh, oh, oh, oh, oh x4

I messed up tonight
I lost another fight
Lost to myself but I'll just start again
I keep falling down
I keep on hitting the ground
But I always get up now to see what's next

Birds don't just fly
They fall down and get up
Nobody learns without getting it wrong

I won't give up, no I won't give in
Till I reach the end
And then I'll start again
No I won't leave
I wanna try everything
I wanna try even though I could fail

I won't give up, no I won't give in

Till I reach the end
And then I'll start again
No I won't leave
I wanna try everything
I wanna try even though I could fail

Oh, oh, oh, oh, oh, try everything x3
Oh, oh, oh, oh, oh

Look how far you've come
You filled your heart with love
Baby you've done enough, take a deep breath
Don't beat yourself up
Don't need to run so fast
Sometimes we come last but we did our best

I won't give up, no I won't give in
Till I reach the end
And then I'll start again
No I won't leave
I wanna try everything
I wanna try even though I could fail

I won't give up, no I won't give in
Till I reach the end

And then I'll start again

No I won't leave

I wanna try everything

I wanna try even though I could fail

I'll keep on making those new mistakes

I'll keep on making them every day

Those new mistakes

Oh, oh, oh, oh, oh, try everything x3

Oh, oh, oh, oh, oh

Try everything

Wake Me Up

Do, do, do...

Feeling my way through the darkness
Guided by a beating heart
I can't tell where the journey will end
But I know where to start

They tell me I'm too young to understand
They say I'm caught up in a dream
Life will pass me by if I don't open up my eyes
Well that's fine by me

So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself
And I, didn't know I was lost

Do, do, do...

Wish that I could stay forever this young
Not afraid to close my eyes
Life's a game made for everyone
And love is the prize

So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself
And I, didn't know I was lost

Wake me up, when it's all over
All this time
I didn't know I was lost

So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself
And I, didn't know I was lost

So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself
And I, didn't know I was lost

Didn't know I was lost (right side)
Didn't know I was lost (left side)

Do, do, do...

Surfin' U.S.A.

(The Beach Boys)

If everybody had an ocean
Across the U. S. A.
Then everybody'd be surfin'
Like Californi-a

You'd seem them wearing their baggies
Huarachi sandals too
A bushy bushy blonde hairdo
Surfin' U. S. A.

You'd catch 'em surfin' at Del Mar
Ventura County line
Santa Cruz and Trestle
Australia's Narabine
All over Manhattan
And down Doheny Way

Happy

(Pharrell Williams)

It might seem crazy what I'm about to say
Sunshine she's here, you can take a break
I'm a hot air balloon that could go to space
With the air, like I don't care baby by the way

Because I'm happy

Clap along if you feel like a room without a roof

Because I'm happy

Clap along if you feel like happiness is the truth

Because I'm happy

Clap along if you know what happiness is to you

Because I'm happy

Clap along if you feel like that's what you wanna do

Here come bad news talking this and that,
Well, give me all you got, don't hold it back,
Well, I should probably warn you I'll be just fine,
No offense to you, don't waste your time
Here's why

Because I'm happy
Clap along if you feel like a room without a roof
Because I'm happy
Clap along if you feel like happiness is the truth
Because I'm happy
Clap along if you know what happiness is to you
Because I'm happy
Clap along if you feel like that's what you wanna do

Bring me down
Can't nothing bring me down
My level's too high (possibly Rep Choir)

Bring me down
Can't nothing bring me down
I said

Bring me down
Can't nothing bring me down
My level's too high (possibly Rep Choir)

Bring me down
Can't nothing bring me down

Because I'm happy
Clap along if you feel like a room without a roof
Because I'm happy

Clap along if you know what happiness is to you
Because I'm happy
Clap along if you feel like that's what you wanna do

Because I'm happy
Clap along if you feel like a room without a roof
Because I'm happy
Clap along if you feel like happiness is the truth
Because I'm happy
Clap along if you know what happiness is to you
Because I'm happy
Clap along if you feel like that's what you wanna do

We Are The World

(Michael Jackson)

There comes a time
When we hear a certain call
When the world must come together as one
There are people dying
And it's time to lend a hand to life
The greatest gift of all

We can't go on
Pretending day-by-day
That someone, somewhere will soon make a change
We are all a part of God's great big family
And the truth, you know, love is all we need

**We are the world
We are the children
We are the ones who make a brighter day, so let's
start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day, just you and me**

Send them your heart
So they know that someone cares
And their lives will be stronger and free
As God has shown us by turning stones to bread
So we all must lend a helping hand

We are the world
We are the children
We are the ones who make a brighter day, so let's
start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day, just you and me

When you're down and out, there seems no hope at all
But if you just believe there's no way we can fall
Let us realise, that a change can only come
When we stand together as one

We are the world
We are the children
We are the ones who make a brighter day, so let's
start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day, just you and me

We are the world
We are the children
We are the ones who make a brighter day, so let's
start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day, just you and me

We are the world

Rep Choir:

(are the world)

We are the children

(are the children)

**We are the ones who'll make a brighter day, so let's
start giving**

(so let's start giving)

There is a choice we're making

We're saving our own lives

It's true we'll make a better day, just you and me

*Please Note: In the instrumental version of this song
there is a longer introduction and the very last line of
the song is sung slower.*
