Paper Plus and Warehouse Stationery are able to do the above package or just parts as needed. Order online or by phone and collect completed orders.

Could you please ensure all workbooks and all items of clothing are clearly named so we can set up some good routines from the start of the year.

Helping your child to look after their own belongings

Is your child's school bag big enough to fit the reading folder with an activity book and a lunch box? If the bag looks as if it will be too big for your 5 year old, it will be just the right size.
