Managers & Coaches will receive team lists and contact details in order to make contact with their teams. All players will receive their uniforms at school prior to the competition starting.

Coaches, please give consideration to when you would like to hold practices. These can be during school lunch breaks (12:00-12:40pm or 1.30-1.50pm) or after school. Please make contact with [brooke.morshuis@allenton.school.nz](mailto:brooke.morshuis@allenton.school.nz) to book your court.

Game times will change from week to week and teams will be notified of their game time prior to the game. Regular weekly games will be played at Oxford Street Stadium and the Sports Hall with the odd week also being played at the EA Networks Stadium.

BBMC will run skills nights for the first two weeks to give new coaches a helping hand to get their teams up and running. During this time your team will be given a time on your miniball night to come along. This will be instead of competition games at the start so both players and coaches to attend. The second week BBMC encourage the score bench people and people who will be refereeing to come along. Further info to come.

Children will receive their miniball singlet at school.

We are looking forward to an exciting miniball season in 2018!
